Only one PIN will be issued for each Mobile Wallet Account which you can update at any time as often as you wish for additional security purposes. You will need a PIN for all money movement transactions. You should not write or keep your PIN with your Mobile Wallet. If you believe that anyone has gained unauthorized access to your PIN, you should change your PIN number immediately from a computer or logging into the app to update your PIN.
- 8. Using Your Mobile Wallet to Load and Withdraw Cash from an ATM.** You may withdraw funds from your Mobile Wallet available balance at select ATMs around the United States without using a debit card. Mobile Wallet cardless ATM withdrawals have lower ATM fees than more traditional Debit Card ATM withdrawals. Mobile Wallet customers can access Mobile Wallet cardless ATM withdrawals by navigating to the Mobile Wallet Load Funds Screen within the Mobile Wallet App, Select Retrieve Funds ATM screen where the customer will be prompted to request an authorization code and then view ATM Mobile Wallet cardless withdrawal participating locations. To load Cash onto your mobile wallet account you can request an authorization code and the code will be displayed. You can select the preferred ATM location and will have up to 1 hour before the authorization codes will expire to load cash at the selected ATM. Follow the prompt instructions within your Mobile Wallet App to complete your transaction. The funds will then be immediately added to your mobile wallet account.
- 9. Request Funds.** You may request payment from another customer's Mobile Wallet Account. You will need to enter the Mobile Number or Alternate ID of the other customer's account. When approved by the other customer using the Pending Purchases screen on the OGPAY App, the funds will automatically be loaded into your account. You may also Request Payments on a scheduled basis from the Schedule Transaction page. Group Request Funds are also available. You may request payments from a group of people to split a bill. You will need to enter the Mobile Number of the people that you are requesting money from. When the request is approved, funds will automatically be loaded onto your mobile wallet account.
- 10. Your Obligation for Negative Balance Transactions.** Each time you initiate a Mobile Wallet transaction, you authorize the reduction of funds available in your Mobile Wallet Account by the amount of the transaction and all associated fees. You are not allowed to exceed the available amount in your Mobile Wallet Account through an individual transaction or a series of transactions (creating a “negative balance”). If the total cost of a transaction is higher than the Available Mobile Wallet Account Balance, your transaction will be declined, and you will need to load additional funds onto your Mobile Wallet Account to proceed with the transaction.
- 11. Business Days.** Our business days are Monday through Friday, excluding federal and legal banking holidays in the State of Texas.

12. Authorization Holds. You do not have the right to stop payment on any purchase transaction originated by use of your Mobile Wallet, other than transactions within the Mobile Wallet Marketplace that display a cancel transaction button. When you use your Mobile Wallet to pay for goods or services, certain merchants may ask us to authorize the transaction in advance and the merchant may estimate its final value. When you use your Mobile Wallet to obtain cash at an ATM we will authorize the transaction in advance (including all applicable fees). When we authorize a purchase transaction, we commit to make the requested funds available when the transaction finally settles, and the Bank will place a temporary hold on your Mobile Wallet's funds for the amount indicated by the merchant. If you authorize a transaction and then fail to make a purchase of that item as planned, the approval may result in a hold for that amount of funds. Car rentals, hotels and other service-oriented merchants may choose to factor in additional amounts upon check-in, and it may take up to sixty (60) days after your stay or your rental to have any excess amounts held by the hotel or rental company added back to your available balance. Similarly, some gas stations may factor in additional amounts to cover the potential filling of the tank; if you want to avoid such a hold, you may want to pay inside the gas station, instead of paying at the pump. Until the transaction finally settles, the funds subject to the hold will not be available to you for other purposes. We will only charge your Mobile Wallet for the correct amount of the final transaction, and we will release any excess amount when the transaction finally settles.

When you use your Mobile Wallet at certain restaurants and service-oriented merchants, there may be an additional 20% (or more) added to the authorization to cover any tip you may leave on the purchase. If this occurs, and your total bill, after adding in the additional 20% (or more), exceeds the amount available on your Mobile Wallet, your transactions may be declined. Accordingly, you should ensure that your Mobile Wallet has an available balance that is 20% (or more) greater than your total bill before using your Mobile Wallet.

13. Recurring Transactions. If you intend to use your Mobile Wallet for recurring transactions, you should monitor your balance and ensure you have funds available in your Mobile Wallet Account to cover the transactions. "Recurring Transactions" are transactions that are authorized in advance by you to be charged to your Mobile Wallet at substantially regular intervals. We are not responsible if a recurring transaction is declined because you have not maintained a sufficient balance in your Mobile Wallet Account to cover the recurring transaction. If these recurring transactions may vary in amount, the person you are going to pay should tell you, 10 days before each payment, when it will be made and how much it will be. (You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set. If you have told us in advance to make regular payments (i.e., scheduled transactions) from your Mobile Wallet Account, you can stop the payment by notifying us orally at **1-800-882-2314** at least five (5) business days before the scheduled date of the transfer. If you order us to stop one of these payments five (5) business days or more before the transfer is scheduled, and we do not do so, we will be liable for your direct losses or damages.

- 14. Returns and Refunds.** If you are entitled to a refund for any reason for goods or services obtained with your Mobile Wallet, you agree to accept credits to your Mobile Wallet Account for such refunds. You are not entitled to a check refund unless your Mobile Wallet has been closed. The amounts credited to your Mobile Wallet for refunds may not be available for up to five (5) days from the date the refund transaction occurs.
- 15. Mobile Wallet Cancellation and Suspension; Limits.** We reserve the right, in our sole discretion, to limit your use of the Mobile Wallet, including limiting or prohibiting specific types of transactions. We may refuse to issue a Mobile Wallet, revoke Mobile Wallet privileges, or cancel your Mobile Wallet with or without cause or notice, other than as required by applicable law. If you would like to cancel the use of your Mobile Wallet, you may do so by calling **1-800-882-2314** or the number on the back of your Mobile Wallet. You agree not to use or allow others to use an expired, revoked, canceled, suspended or otherwise invalid Mobile Wallet. Our cancellation of Mobile Wallet privileges will not otherwise affect your rights and obligations under this Agreement. If we cancel or suspend your Mobile Wallet privileges through no fault of yours, you will be entitled to a refund as provided below in the Section titled "Amendment and Cancellation." Not all services described in this Agreement are available to all persons or at all locations. We reserve the right to limit, at our sole discretion, the provision of any such services to any person or in any location. Any offer of a service in this Agreement shall be deemed void where prohibited. We can waive or delay enforcement of any of our rights under this Agreement without losing them.
- 16. Obtaining Balance and Transaction Information for Your Mobile Wallet; Periodic Statements Alternative.** You should keep track of the amount of funds available in your Mobile Wallet Account. - 18. Our Liability for Failure to Complete Transactions.** In no event will we or the Bank be liable for consequential damages (including lost profits), extraordinary damages, special or punitive damages. We will not be liable, for instance: (1) if, through no fault of ours or of the Bank, you do not have enough funds available in your Mobile Wallet Account to complete the transaction; (2) if a merchant refuses to accept your Mobile Wallet or provide cash back; (3)

if an ATM where you are making a cash withdrawal does not have enough cash; (4) if an electronic terminal where you are making a transaction does not operate properly, and you knew about the problem when you initiated the transaction; (5) if access to your Mobile Wallet has been blocked after you reported your Mobile Wallet or Access Code lost or stolen; (6) if there is a hold or your funds are subject to legal process or other encumbrance restricting their use; (7) if we or the Bank have reason to believe the requested transaction is unauthorized; (8) if circumstances beyond our or the Bank's control (such as fire, flood or computer or communication failure) prevent the completion of the transaction, despite reasonable precautions that we or the Bank have taken; or (9) for any other exception stated in our Agreement with you.

26. Arbitration Provision. This Arbitration Provision sets forth the circumstances and procedures under which claims (as defined below) shall be arbitrated instead of litigated in court upon the election of either party.

(a) Definitions: As used in this Arbitration Provision, the term "Claim" means any claim, dispute or controversy between you and us, or between you and OGPAY Wallet for any OGPAY Wallet **Services** or any of its agents or retailers, arising from or relating to the OGPAY Wallet or this Agreement as well as any related or prior agreement that you may have had with us or the relationships resulting from this Agreement, including the validity, enforceability or scope of this Arbitration Provision or the Agreement. "Claim" includes claims of every kind and nature, including but not limited to initial claims, counterclaims, cross-claims and third-party claims and claims based upon contract, tort, fraud and other intentional torts, statutes, regulations, common law and equity. The term "Claim" is to be given the broadest possible meaning that will be enforced and includes, by way of example and without limitation, any claim, dispute or controversy that arises from or relates to (i) your Mobile Wallet, or the Mobile Wallets of any additional Mobile Wallet holders designated by you; (ii) the amount of available funds on the Mobile Wallets; (iii) advertisements, promotions or oral or written statements related to the Mobile Wallets, goods or services purchased with the Mobile Wallets; (iv) the benefits and services related to the Mobile Wallets; and (v) your enrollment for any Mobile Wallet. We shall not elect to use arbitration under the Arbitration Provision for any Claim that you properly file and pursue in a small claims court of your state or municipality so long as the Claim is individual and pending only in that court; any appeals from that court shall be pursued only in arbitration. As used in this Arbitration Provision, the terms "we" and "us" shall for all purposes mean the Program Manager, wholly or majority owned subsidiaries, affiliates, licensees, predecessors, successors, and assigns; and all of their agents, employees, directors and representatives. In addition, "we" or "us" shall include any third party using or providing any product, service or benefit in connection with any Mobile Wallets (including, but not limited to merchants who accept the Mobile Wallet, third parties who use or provide services, debt collectors and all of their agents, employees, directors and representatives) if, and only if, such third party is named

as a co-party with us (or files a Claim with or against us) in connection with a Claim asserted by you. As solely used in this Arbitration Provision, the terms “you” or “yours” shall mean all persons or entities approved by us to have and/or use a Mobile Wallet, including but not limited to all persons or entities contractually obligated under any of the Agreements and all additional Mobile Wallet holders.

(b) Initiation of Arbitration Proceeding/Selection of Administrator: Any Claim shall be resolved, upon the election by you or us, by arbitration pursuant to this Arbitration Provision and the code of procedures of the national arbitration organization to which the Claim is referred in effect at the time the Claim is filed. Claims shall be referred to either Judicial Arbitration and Mediation Services (“JAMS”) or the American Arbitration Association (“AAA”), as selected by the party electing to use arbitration. If a selection by us of one of these organizations is unacceptable to you, you shall have the right within thirty (30) days after you receive notice of our election to select the other organization listed to serve as arbitrator administrator. For a copy of the procedures, to file a Claim or for other information about these organizations, contact us at **1-800-882-2314**. IF ARBITRATION IS CHOSEN BY ANY PARTY WITH RESPECT TO A CLAIM, NEITHER YOU NOR WE WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM IN COURT OR HAVE A JURY TRIAL ON THAT CLAIM, OR TO ENGAGE IN DISCOVERY EXCEPT AS PROVIDED FOR IN THE CODE OF PROCEDURES OF JAMS OR AAA, AS APPLICABLE (THE “CODE”). FURTHER, YOU WILL NOT HAVE THE RIGHT TO PARTICIPATE IN A REPRESENTATIVE CAPACITY OR AS A MEMBER OF ANY CLASS OF CLAIMANTS PERTAINING TO ANY CLAIM SUBJECT TO ARBITRATION. THE ARBITRATOR SHALL NOT CONDUCT A CLASS ARBITRATION OR A JOINT ARBITRATION EXCEPT AS SET FORTH BELOW. THE ARBITRATOR’S DECISION WILL BE FINAL AND BINDING. NOTE THAT OTHER RIGHTS THAT YOU WOULD HAVE IF YOU WENT TO COURT ALSO MAY NOT BE AVAILABLE IN ARBITRATION.

(c) Restrictions on Arbitration: If either party elects to resolve a Claim by arbitration, that Claim shall be arbitrated on an individual basis. There shall be no right or authority for any Claims to be arbitrated on a class action basis or on bases involving Claims brought in a purported representative capacity on behalf of the general public, other Mobile Wallet holders or other persons similarly situated. The arbitrator’s authority to resolve Claims is limited to Claims between you and us alone, and the arbitrator’s authority to make awards is limited to you and us alone. Furthermore, Claims brought by you against us or by us against you may not be joined or consolidated in arbitration with Claims brought by or against someone other than you, unless otherwise agreed to in writing by all parties which Location of Arbitration/Payment of Fees: Any arbitration hearing that you attend shall take place in the federal judicial district of your residence. At your written request, we will consider in good faith making a temporary advance of all or part of the filing administrative and/or hearing fees for any Claim you initiate as to which you or we seek arbitration. At the conclusion of the arbitration (or any appeal thereof), the arbitrator (or panel) will decide who will ultimately be responsible for paying the filing, administrative and/or hearing fees in connection with the arbitration (or appeal). If and to the extent you incur filing, administrative and/or hearing fees in arbitration, including for any appeal, exceeding the amount they would have been if the Claim had been brought in the state or federal court which is closest to your billing address and would have had jurisdiction over the Claim, we

will reimburse you to that extent unless the arbitrator (or panel) determines that the fees were incurred without any substantial justification.

(d) **Arbitration Procedures:** This Arbitration Provision is made pursuant to a transaction involving interstate commerce, and shall be governed by the Federal Arbitration Act, 9 U.S.C. Sections 1-16, as it may be amended (the "FAA"). The arbitration shall be governed by the applicable Code, except that (to the extent enforceable under the FAA) this arbitration Provision shall control if it is inconsistent with the applicable Code. The arbitrator shall apply applicable substantive law consistent with the FAA and applicable statutes of limitations and shall honor claims of privilege recognized at law and, at the timely request of either party, shall provide a brief written explanation of the basis for the decision. In conducting the arbitration proceeding, the arbitrator shall not apply the Federal or any state rules of civil procedure or rules of evidence. Either party may submit a request to the arbitrator to expand the scope of discovery allowable under the applicable Code. The party submitting such a request must provide a copy to the other party, who may submit objections to the arbitrator with a copy of the objections provided to the request party, within fifteen (15) days of receiving the requesting party's notice. The granting or denial of such request will be in the sole discretion of the arbitrator who shall notify the parties of his/her decision within twenty (20) days of the objecting party's submission. The arbitrator shall take reasonable steps to preserve the privacy of individuals, and of business matters. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The arbitrator's decision will be final and binding, except for any right of appeal provided by the FAA. However, any party can appeal that award to a three-arbitrator panel administered by the same arbitration organization, which shall consider anew any aspect of the initial award objected to by the appealing party. The appealing party shall have thirty (30) days from the date of entry of the written arbitration award to notify the arbitration organization that it is exercising the right of appeal. The appeal shall be filed with the arbitration organization in the form of a dated writing. The arbitration organization will then notify the other party that the award has been appealed. The arbitration organization will appoint a three-arbitrator panel which will conduct arbitration pursuant to its Code and issue its decision within one hundred twenty (120) days of the date of the appellant's written notice. The decision of the panel shall be by majority vote and shall be final and binding.

(e) **Continuation:** This Arbitration Provision shall survive termination of your Mobile Wallet as well as voluntary payment of the debt in full by you, any legal proceeding by us to collect a debt owed by you, and any bankruptcy by you or us. If any portion of this Arbitration Provision is deemed invalid or unenforceable under any principle or provision of law or equity, consistent with the FAA, it shall not invalidate the remaining portions of this Arbitration Provision, the Agreement or any prior agreement you may have had with us, each of which shall be enforceable regardless of such invalidity.
